Pattern Maker

Kadori Hair introduces high performance straighteners with fashionable prints

Super fast infra red heating system reaches a maximum temperature of 430° F, which is shown on an easy to read digital LCD temperature display.

WIN IT!
Enter for a chance to win one of five Kadori Hair irons at salon52.ca. Contest runs Aug. 13 to Sept. 10, 2010.

Ultra lightweight, flexible ceramic tourmaline plates with negative ion technology give smooth results every time.

The rounded barrel with 360° swivel cord allows for versatile styling whether its wavy, curly or straight looks. Plus, universal voltage means you can style anywhere in the world.
